

In this first Supplementary volume to his acclaimed RECORDINGS OF FRANK ZAPPA series, Scott Parker delves into the story of what has become a Holy Grail for Zappa fans, the unreleased 1969 12-LP box set *The History And Collected Improvisations Of The Mothers Of Invention*.

Part two details the story of the all-FZ Mud Shark bootleg LP label, including the recollections of Mud Shark sounder Studebacher Hoch.

Also available from SPB Publishing, volumes one and two of The Recordings Of Frank Zappa series, HUNGRY FREAKS, DADDY and STRICTLY GENTEEL.

And of course but also, the 2008 revised edition of HUNGRY FREAKS, DADDY:
